*Allowable Subject Matter*

1. Claims 1-5, 7-13, 15-31 are allowable over the prior art of records.
2. The instant application is deemed to be directed to an unobvious improvement over the inventions patented in Pat. No. 6,418,492 and 5,809,256. The improvements comprise the controller causes the device to restart a power-up procedure implemented by on/off power control circuit and the power monitor circuit when the power monitor circuit determines that the power supplied to one of the power supply lines has not stabilized after a predetermined time period (claims 111, 21); a method of responding to a removal of an interface card from a physical interface of a device during a run-time operation comprising clearing data bus connected between the controller and the physical interface and blocking signals caused by removal of the interface card on control lines between the physical interface and the controller (claim 17).
3. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferable **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to examiner Raymond Phan, whose telephone number is (703) 306-2756. The examiner can normally be reached on Monday-Friday from 7:30AM-4:00 PM.  
If attempts to reach the examiner by telephone are unsuccessful, the examiner's Primary, Paul Myers can be reached on (703) 305-9656 or via e-mail addressed to paul.myers@uspto.gov. The fax phone number for this Group is (703) 746-7239.  
Communications via Internet e-mail regarding this application, other than those under 35 U.S.C. 132 or which otherwise require a signature, may be used by the applicant and should be addressed to [raymond.phan@uspto.gov].  
All Internet e-mail communications will be made of record in the application file. PTO employees do not engage in Internet communications where there exists a possibility that sensitive information could be identified or exchanged unless the record includes a properly signed express waiver
